Ginger's Parrots Rescue Adoption Policy

- All potential adopters must be at least 21 years old.
- We do not ship birds so you must live within driving distance.
- An authorized representative will perform an in-home visit prior to your application being approved.
- An in-home visit does NOT guarantee that you will be given a bird.
- We reserve the right to stop the adoption process *at any point* if we feel it is not in the bird's best interest to be placed in your home.
- All birds will have an Adoption Fee
- Birds will be placed only with the applicant that offers the best possible environment for the bird's well being.
- Payment of all fees, completion of all in home visits and your signature on the adoption contract must be completed prior to the delivery of an adopted bird.
- On the day of placement the bird will be delivered by an authorized representative.
- If the adoption is not able to be approved at *any* time during the process, the applicant will be notified verbally, in writing or by email detailing the reason(s) that approval was declined. Any and all fees will be refunded.
- All adoptions will go through a probationary period which may include follow up visit(s) in your home by an authorized representative. If it is deemed that the adopter no longer meets the criteria of an approved adopter, and there is no way to correct the situation, the bird will be immediately returned to Ginger's Parrots by the authorized representative performing the follow up visit.

I have read, understand and agree to the terms of this Adoption Policy by Ginger's Parrots Rescue.
